a week ago I ordered a takeaway and it came to order within 20 minutes, although I expected it would take an hour. additional nan brote and sauces were provided that we had not ordered, but were so delicious and used for lunch in the next days. that was so delicious. so rich, creamy and tasteful. I'm not a cook, but it cost everything fresh and just like it had been cooked. we will definitely order again. [read more](#). What [User](#) doesn't like about Milton Spice:
