Nestled by the Thames, this restaurant offers a mixed dining experience where flavors and service vary significantly among patrons. While some commend the excellent dinner deals and delectable dishes like Chicken Biryani and Kofta, others lament small portions, cold food, and inattentive service. Notably, the BYOB policy allows guests to enjoy drinks from nearby shops. A warm atmosphere and a beautiful riverside view add charm, though recent reports of cleanliness and staff responsiveness raise concerns. Overall, it presents a unique opportunity for a meal, especially for those willing to overlook a few shortcomings in hopes of enjoying the culinary delights.
