The restaurant offers complimentary WLAN for its guests, Depending on the weather, you can also sit outside and have something. What [Aire Vizbaraitė](#) doesn't like about American Hut [Pizza](#):

Very good customer service. Place itself small, I got a feeling of canteen instead of coffee/brunch place. Not very private if you want to have a chat with someone. Food was good. Although I would try something else next time.

The comprehensive range of **coffee and tea specialties** makes a visit to American Hut Pizza even more worthwhile, You shouldn't miss the opportunity to try the delicate pizza, baked fresh in a traditional manner. Even if you're only not so much hungry, you can still treat yourself to one of the scrumptious sandwiches, a small salad or another snack, Generally, the dishes are prepared *in the shortest time and fresh* for you.
