What [User](#) likes about La Tapa Canaria:

The only thing I find less is the price. Pretty expensive, but I'm eating it upstairs. [read more](#). The restaurant and its rooms are wheelchair accessible and thus reachable with a wheelchair or physical disabilities, Depending on the weather, you can also sit outside and have something. What [User](#) doesn't like about La Tapa Canaria:

The service was very kind and capable. It was a pleasant case. But paying 130 euros for two cocktails, a bottle of water and 2x 8, tapas? Out of the most expensive thing we've ever paid for so little and simple food, this doesn't remind me of my stay in Spain. For this price, you get a rich and extensive four-course menu elsewhere. Also try the **savory Spanish menus** from the kitchen of the house, they are recommendable, With the bite-sized, *Tapas*, you can't absolutely nothing wrong, particularly because there is something for all tastes.
