to breakfast with my mom and we were really served fast and I had a lot to choose. the personal was really helpful and superior to take our order, was careful with diet choices. slight con is the used speck brand was not great, but this is personal choice rest of the vegan breakfast was great! there is not much in boston so great to know that this place is there! [read more](#). A roundtrip through Great Britain without getting on a plane is easily possible when it comes to culinary delights: The Little Kitchen in [Boston](#) traditionally shines for example with

Fish and Chips, mashed potatoes or roast with Yorkshire Pudding and for dessert a *delicious Trifle*, The customers of the establishment are also thrilled with the large selection of differing coffee and tea specialities that the restaurant offers. Surely, it's also a nice experience to feel like in the **Wild West** once, to drink and sample like the cowboys or even the bandits with a drink or two paired with onion rings and a nice tasty burger, here they serve a diverse brunch in the morning.
