the first thing they see when they come to the restaurant is the unusual decoration. it was cool! the menu has a lot of different dishes where most of them can be made vegan with tofu or sweet. instead I had the satay chicken dish with tofu and it was delicious! the proportion was somewhat smaller than expected, but overall tasteful. also none of the dishes on the menu has any milk/actose that is large [read more](#). When the weather conditions is nice you can also eat outside. What [User](#) doesn't like about Moon Thai Kitchen:

very intense smell everywhere. the tofu in my meal was actually a little disgusting, like a sponge of oil, and I have a total of 2 mushrooms. the menu says that almost everything can be made vegan, but then they have to sit and ask what is "almost everything" and have to ask the staff to actually make a decision. updated by previous review on 2021-12-06 [read more](#). Moon Thai Kitchen The **brilliant Asian fusion cuisine** will thrill you, the exquisite mix of traditional dishes and exciting new creations will amaze!, Thai dishes are prepared here with the famous spices and fish sauces. The meals are prepared authentically Asian.
