We went to Snack Shack for drinks on a couple of occasions whilst in El Gouna. The service was quick and the staff were friendly and polite. They have lots of TVs positioned randomly around the cafe so if you're watching the World Cup (like us) you can get a good view wherever you sit. They also had blankets for when the evening gets a bit nippy. All in all a worthwhile visit. [read more](#). The place also offers the possibility to sit outside and be served in pleasant weather. What [User](#) doesn't like about The Snack Shack:

The restaurant has some vegan options that are characterized. The first time I had the pasta that was great. The second time I had a pack that was somewhat strange (only filled with avocado). I would still say it's trying, maybe just don't order the packs Only know that it's also a sports bar, so the TVs will be all the time. [read more](#).
