[User](#) doesn't like about Kitchenette:

We walked 10. in to this after we read the reviews but only to find out that it was physically close but online it said it was open. Other shops were able to show that they were closed because of holidays. [read more](#). You can at Kitchenette from Brussels taste delicious [vegetarian](#) menus, in which no animal meat or fish was brought into play, Likewise, the guests of the establishment prefer the large selection of various coffee and tea specialities that the restaurant provides. Would you rather enjoy the food at home or on a special occasion like a party?

Thanks to the in-house catering, that's no problem, look forward to the typical fine **French cuisine**.
