What [User](#) likes about The Fish King: this is by far the best chippy in the opposite. the fish chips are always freshly fried and absolutely delicious. fish are generous and clobular. the dough is golden, crispy and not oily. the mixed kebab meat again is the best we have experienced before site, not excessively salty or swim in fat, and extra tasty made by their homemade red cabbage salad and chili sauce. the prices are competitive, the staff are friend... [read more](#). What [User](#) doesn't like about The Fish King:

picked up kebab small fishcake and chips and something else. no mayonnaise on kebab when got home as asked for, curled up kebab meat small pies soggy chips awful. nan bread all burned and hard in the middle could not eat don't waste your time or money going as we never will again and will never recommend. If you want really good fish and chips and excellent selection of items go to carlton hill fish brill worth the ten... [read more](#).
