A roundtrip through Great Britain without getting on a plane is absolutely possible when it comes to culinary delights: At The Argyll in The Hebrides traditionally shines for example with Fish and Chips, mashed potatoes or roast with Yorkshire Pudding and for dessert a delicious Trifle, The guests of the establishment are also thrilled with the large variety of differing coffee and tea specialities that the establishment offers. Sometimes you may not want to consume a lot, in this case one of the fine **sandwiches**, a small salad or another snack is just right, delicious vegetarian meals are also on the menu available.
