I recently started ordering from here, and so far the food quality was excellent. the delivery is also top notch. I have ribs and wings and singapore noodles and fried rice and everything was delicious, fresh and not greasy as the normal can be. I will keep the order from here and publish a detailed review as it currently has an evaluation of 3.8 that is far too low. [read more](#). What [User](#) doesn't like about Ginger Express:

not our favorite Chinese, but I don't think it deserves such a low score here. Eating was hot when we got it, nothing made us sick, and we managed to eat everything. in total delicious. they get what they pay, it wasn't expensive and expected that more in the price range would be unfair. If I'm in the opposite, I'd order again. [read more](#).
