Thank you. so much! experience was super! waitress (with tattoo am hal) was really nice and friendly, (and beautiful portions are really big, so we asked if we can take the left waitress perfectly in boxes set! many thanks, we have eaten all day and thought about this restaurant :d [read more](#). In pleasant weather you can even eat in the outdoor area, and there is free WiFi. What [User](#) doesn't like about Asian Chef:

Food is made for customer's liking but definitely not original (one can easily make such food at home)...too many dishes in the menu, undefined interior and pop music. Nothing authentic unfortunately.. Very kind bar attendant/waiter [read more](#). If you want to have a drink after work and sit with friends or alone, Asian Chef from Tartu is a good bar, Moreover, the menu of this gastropub offers a good and especially large selection of beers from the region and the world that are definitely worth a try. Of course, the most diverse ingredients are also used in the most unprecedented combinations and implementations - according to the motto of the *Fusion Cuisine* on the menu, The **meat** is freshly grilled here on an open flame.
