For **seasonal or weekly deals**, please contact the owner of the restaurant directly. You can also contact them through their website. What **User** likes about Susa Plant Based Kitchen: we were thrilled to try this new vegan cafe during our annual holiday in the island wight and were certainly not disappointed. the food was really delicious and fresh, with an interesting and varied offer of aromen. we chose the spicy buffalo-Chickpea salad and the portions were generous; the aromen were really delicious! we couldn't resist to taste the chocolate cake afterwards and it was really the perfect chocola... [read more](#). The Susa Plant Based Kitchen from Ryde provides dishes that are typical for the entire continent of Europe, Likewise, the customers of the restaurant prefer the extensive variety of various coffee and tea specialities that the restaurant provides. Among the guests, the *versatile, fine Mexican cuisine* is also popular, in which mainly corn, beans and hot peppers are used, Moreover, the menu of this gastropub offers a good and especially comprehensive assortment of beers from the region and the world that are definitely worth a try.
