What [User](#) doesn't like about La Belgitude:

frendly enough and clean but food not brilliant. I did make a remark on the quality of the greek salad (not very greek lacking olives and feta with taste or something other than lettuce and onions with some feta)and was told the chef was new and the management knew. Hopefully it will improve. So in response to below I did remark and nothing was done except the response noted above. [read more.](#) In La Belgitude, a place that serves Italian dishes in Brussels, you can expect original Italian cuisine, including classics like **pizza and pasta**, but also the **Greek dishes** are well received by the customers of the restaurant. Naturally, they also provide you with crisply crunchy pizza, baked fresh in original style, For a snack, you can also have the fine *sandwiches*, small salads and other snacks.
