What

[P](#) doesn't like about Hollyhock [Vegetarian](#) Fairtrade Cafe:

Place was alright. Nice views and ambience with a peaceful surrounding. Ordered a Chai latte which was great. Food however was average and quite pricey relative to the quality. Ordered a samosa, quiche, lasagne and vegan sausage. Photos attached. There is no table service. You have to order and take your food from the counter. Watch your steps on the way to your table!.
