A journey through Great Britain without getting on a plane is easily possible when it comes to culinary delights: The Crown Inn in Wallingford traditionally shines for instance with Fish and Chips, [mashed potatoes](#) or *roast with Yorkshire Pudding* and for dessert a sweet Trifle, Also, the drinks menu at this place is exceptional and offers a significant and comprehensive assortment of both local and international beers, which are definitely worth a try. You can still relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink.
