A **comprehensive [menu](#) of Treats Gelato** from Eastleigh covering all **21** menus and drinks can be found here on the menu. The dessert parlour offers a terrible customer service experience, with old and stale savory food being served in place of fresh desserts. Although the food can be tasty, it is not always fresh. Service can be slow, but on the second visit, there was prompt and polite table service. The establishment is child-friendly and offers a wide range of flavors, making it a treat for children. Overall, the large selection of flavors and clean, funky layout make it a good choice for ice cream lovers seeking a variety of options. The staff is friendly and the atmosphere is inviting.
