[User](#) likes about Karasu:

One of the best real authentic Japanese restaurants. The offer much more than just good [sushi](#). Especially the meat dishes (steak or hotpot) and noodle soups are amazing. Best combination of all is the bento box [read more](#).

What [User](#) doesn't like about Karasu:

the restaurant was completely empty and has shaded interior. eating is very expensive, the amount of the portions is small and it is not delicious. the [sushi](#) set of average delivery is much better and more affordable than what we had here. the only good was the service of a polite Japanese woman. [read more](#). The eatery offers a little bit of this and a little bit of that with its well-known Tapas, Particularly delicious are also the *Maki* and specialties like Inside-Out from this place. Not to be overlooked is also the extensive selection of coffee and tea specialties in this restaurant, You can also unwind at the bar with a [freshly tapped beer](#) or other alcoholic and non-alcoholic drinks.
