Here you can find the [menu](#) of D'mughal's in Mallow. At the moment, there are **17** meals and drinks on the card. Mixed reviews for this Indian restaurant showcase some hit and misses. Some diners were disappointed by tiny portions, poor service, and long wait times. Others praised the tasty food, recommending dishes like the chicken handi. Despite some complaints about noise levels, the diverse menu and excellent service at this establishment left a positive impression on many customers. Overall, it seems like a decent spot to enjoy authentic Indian flavors, but improvements in portion sizes and efficiency could make the dining experience even better.
