What [Nena Schonkeren](#) likes about Carbon Kitchen: (Translated by Google) The food was delicious. Some things we wouldn't take back (such as lavender oil burrata and coconut pie and green lemon), but it really depends on personal tastes. We thought the menu was more expensive, but it was nice to see other things on the menu. The bao breads were particularly delicious. (Original view) Het eten was lekker. Sommige dingen zouden we niet nog eens nemen (zoals de burrata met lavendelolie en de kokos-limoentaart), maar dat gaat dan echt over persoonlijke smaak. De kaart vonden wij wel naar de duurdere kant, maar het was alsnog fijn om eens wat andere dingen op het menu te zien staan. Vooral de bao buns waren heerlijk. At Carbon Kitchen in Mechelen you can *taste delicious vegetarian meals*, that are free from any animal meat or fish, for breakfast they serve a **extensive breakfast** here.
