During a meal, a good drink is essential. In this *gastropub*, you not only get delicious cuisine from the menu but also a comprehensive and particularly good diversity of good beers and other alcoholic beverages that go well with the food, Also, the visitors of the restaurant love the large variety of various **coffee and tea specialities** that the establishment has to offer. At the bar, you can still relax after the meal (or during it) with an alcoholic or non-alcoholic drink, Lovers of the British cuisine are impressed by the extensive variety of traditional menus and enjoy the taste of England.
