Here you can find the [menu](#) of **The Amersham Arms** in Lewisham. At the moment, there are **16** dishes and drinks on the food list. At Amersham Arms, the experience is a mixed bag, appealing to some while frustrating others. By day, it offers a cozy atmosphere perfect for relaxed lunches, but the night scene can prove overwhelming with long wait times for drinks and rude staff. While the menu boasts an impressive vegan selection and creative dishes like the Roast Dinner Burger and BBQ seitan burger, cleanliness and service issues mar the experience. The venue presents good value and lively vibes, particularly for live music events, but be wary of the overall execution, especially during peak hours. A visit is certainly a gamble.
