What [User](#) likes about Super [Kebab](#): It is located in the Turkish neighbourhood: dalston. very good option for Turkish döner kebab. It is very cheap, very fillable and very cheap. It is better for take away or eat quickly and quickly. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations. What [User](#) doesn't like about Super [Kebab](#):

very expensive compared to all [kebab](#) places within a 15 minutes to foot. I always get meat and chips, the amount of meat they get compared to other [kebab](#) shops is very bad. every time! eating is nothing special. the only positive about this place are the employees are nice and the opening times are good. if they are not pressed for the time, take the walk to essex street, 3 color better places in 1 street. [read more](#). At Super [Kebab](#), you'll find authentic, classic Kebabs in diverse variations as well as the spices and spice mixes, known for the fine Turkish cuisine - whether on a Lahmacun, in a Sucuk, or in one of the fine salads with chickpeas or lentils, Generally, the dishes are prepared *fast and fresh* for you. For those who are not yet convinced, to persuade themselves to visit the Super [Kebab](#), the smell of fresh flatbread or the scrumptious, sticky sweetness that fresh baklava promises might help - the **Middle East** is definitely closer than one thinks.
