The meat dishes are great and reasonably priced. The vegetarian in the party had a choice of beans on toast or quiche. The quiche piece was tiny and the salad was a few leaves and about 4 halved tomatoes, with a pot of vinegary coleslaw. Not great when we took ages to finish our large meaty portions! Nice choice of cakes. Parking isn't great. We got blocked in, with no place to turn. [read more](#). Wards Of Troway from [North East Derbyshire](#) is a snug café, where you can enjoy a snack or cake with a hot coffee or a sweet chocolate, The guests of the establishment also appreciate the extensive selection of various coffee and tea specialities that the establishment has to offer. Furthermore, there are several *typically British* dishes on the menu that give every Englishman abroad the feeling of being at home.
