During a meal, a good drink is essential. In this gastropub, you not only get delicious dishes from the menu but also a comprehensive and particularly good selection of good beers and other alcoholic beverages that go well with the food, the menu also includes delectable [vegetarian meals](#). After the meal (or during it), you have the opportunity to still relax at the bar with a *alcoholic or non-alcoholic drink*, Particularly fans of the British cuisine are excited about the extensive selection of traditional menus and love the typical English cuisine.
