I visited this a few times and always sat in the first floor instead of in the floor. everything in a beautiful place. [read more](#). The diner is accessible and can therefore also

be used with a wheelchair or physical disabilities. What [User](#) doesn't like about McDonald's Restaurants: I thought my general experience in mcdonald's was nice the landscape was to die, but when I asked to have a simple chickening with the huh, because I am vegetarian, I got a dirty look from the dame that served me and I was absolutely dictated. Finally I went to the toilet and there was now loo roll or loo roll dispenser one of the toilets was filled up with urin and I thought that was so discreet, but I soon realized... [read more](#). At McDonald's Restaurants from Camden it's possible to **try delicious vegetarian meals**, that were made without any animal meat or fish, For you, the meals are normally prepared in the shortest time and fresh. If you want to have breakfast, a hearty brunch awaits you, And of course, you should also try the *fine burgers*, with sides such as fries, salads, or wedges served.
