We stopped in here for breakfast and it was so welcoming as soon as we entered, including for our black Labrador. We both ordered the breakfast soft baguette and were not disappointed. All the individual items were of really good quality and cooked perfectly. The bread was delicious too. The coffee was so good we had a second. [read more](#). As a customer, you can use the WiFi of the establishment at no extra cost, And into the accessible spaces also come clientele with wheelchairs or physical disabilities. If the weather is right, you can also be served outside. What [User](#) doesn't like about Coffeeco:

Went here for breakfast, asked if they did GF breakfast, sausage, and black pudding wasn't so asked if they could do bacon egg beans. The male owner said the menu is quite simple we don't cater for that you'll have to go somewhere else! I was prepared to leave but knowing my husband doesn't like a scene we stayed. We ordered bacon and egg and a bacon baguette with 2 coffees which came to £23.70 The male owner then we... [read more](#).
