What [User](#) likes about Poppies Fish Chips:

beautiful, finally try this famous fish n chips place. the venue is very warm with a really beautiful American vibe decoration. I had the recommended squid and chips and it was so much that I couldn't eat everything. tastefully it was delicious, but not the best fish N chips I had in london. the waitress was not the kindest, but very accommodating. Overall, I would recommend going to the restaurant at least once. [read more](#). Various tasty seafood menus are dished out by the Poppies Fish Chips from London, For you, the dishes are normally prepared in the shortest time and fresh. Furthermore, there are several *typically British* meals on the card that give every Englishman abroad the feeling of being at home.
