What [adam rowland](#) doesn't like about The Britannia Inn:

I used to really like this place. I think it's still part of the same group as the fleece and lodge which are great and we go there often. The Brit has really dropped off tho. Food was over priced for what it was, portions were really small. The inside looks and feels run down too. Hopefully they can pull it back to what it used to be. [read more](#).
