What [User](#) doesn't like about Ravintola Loisto:

15€ for a simple pizza that was not good. The dough was chewing and did not shred so fresh. The situation is good, but these were the only positive things of this place. During meals, a refreshing drink is essential. In this gastropub, you will find not only delectable menus, but also a large and comprehensive variety of good beers and other alcoholic drinks that compliment the food, the place serves however also meals typical for Europe.

Customers also know to appreciate the use of original Indian spices, and you can look forward to the scrumptious traditional seafood cuisine.
