The restaurant also offers the possibility to sit outside and have something in nice weather, And into the accessible rooms also come customers with wheelchairs or physical limitations. WLAN is available without additional charges. What [Travelling Man008](#) doesn't like about Navigator:

Arrived for a one night stay. The evening barmaid was very attentive but the food was awful and the single room cramped and the towel was grim. Morning breakfast was an experience I'll try to never remember. A fairly dreadful dining experience, and the waitress barked at me where I could and couldn't sit, (there were four other people eating and the 'restaurant could seat in excess of 100 I imagine). There was defini... [read more](#).
