The restaurant from Brussel offers **18** different dishes and drinks on the card at an average \$22.9. What [Tiff](#) doesn't like about Atomium:

If you feel like a treat, you should visit Atomium because they have tasty desserts that will surely satisfy the sweet-tooth in you, The visitors find it very pleasing to have a multitude of drinks available. In case you want to have breakfast, a *versatile brunch* is offered to you, look forward to the typical scrumptious **French cuisine**.
