A complete [menu](#) of The Byre from Fife covering all 16 menus and drinks can be found here on the food list. Nestled beneath the Byre Theatre, this restaurant offers a mixed dining experience. While the menu may be limited, many dishes are well-executed and reasonably priced, making it a charming spot for lunch or a quiet coffee. The friendly and attentive staff enhance the ambiance, often complemented by soothing piano tunes. However, some diners lament the quality of certain offerings, likening them to cafeteria fare. Despite these critiques, the location remains a hidden gem in St Andrews, ideal for pre-show dinners or casual visits. Overall, it's worth a try, especially if you're considering a theatre production afterward.
