This is one of our favourite places to chill out. Perfect setting on the river and so peaceful. The staff and food are exceptional especially the cream tea, cheese garlic bread. Reasonable prices for both food and drink. The manager is so attentive and obviously enjoying his job. Will be back again next week to sit outside (weather permitting) [read more](#). What [User](#) doesn't like about The Riverside Pub, Kitchen Coffee House:

We had to whisper to talk. There were empty booths and we were still sat in that tiny corner, that's why we will pass next time and we will only have drinks instead at the bar. [read more](#).
