Fish was lovely, curry sauce was nice but not very warm. Not keen on the chips, were of dry consistency like oven chips, I personally prefer a slight greasy chip. But all was extremely clean and well presented. [read more](#).

When the weather conditions is pleasant you can also eat and drink outside. What [User](#) doesn't like about Sanders Fish And Chips:

I ate here with 2 friends recently. We all had standard fish and chips. We thought the Fish was tasteless and very small. Given it cost over £50 with 3 soft drinks it was not good value for money. Also there were quite a few bones in the Cod which is not what we expected. We definitely would not eat here again. [read more](#).
