What [User](#) likes about Ruchi Indian: I tried several Indians in the last months, Ruchi is definitely at the top. I suggest you to take King Prawn/Lamb Sag with rice, or Chicken Garlic Chilli. Both amazing. Specially the first one, very rare combination of spices you couldn't easily find in restaurants. You can ask to make it Hot If you like it. I definitely recommend it. I am addicted now, they deserve a kind of Nobel prize. [read more](#). What [slimed2021](#) doesn't like about Ruchi Indian: Ordered a mixed kebab on chips with salad and house sauce. There was lots of donor meat and about 3 small pieces of low quality, flavourless chicken (pictured in the top right of the disgusting looking photo), so pretty much feel like I was overcharged for a donor kebab. The chips were stale (probably warmed up from yesterday). the salad was non existent (5 crudely chopped pieces of onion). The house sauce just taste... [read more](#). With original Indian spices delicious meals and sides like *rice or naan*, they cook fresh at Ruchi Indian in Belfast.
