went into subway today in Stratford-on-Avon to get some lunch to then only have a very rude female staff member start shouting and screaming at another staff member with very foul language (I.e swearing and saying she don't care about the customs) Meal type: Brunch Price per person: £10–20 [read more](#). A visit to Subway is particularly valuable due to the large selection of *coffee and tea specialties*, There are also delicious South American dishes in the menu. There are also fine American menus, for example, burgers and grilled meat, For a snack, you can also have the tasty sandwiches, healthy salads and other snacks.
