It's by far one of the best sushi experiences I have ever had: the value for the price is sky high, I was with my girlfriend, we ordered four rolls and everything tasted so fresh and you can see that there's quality and dedication behind it. Plus points for the water serving: they use liquid nitrogen for a little show off, and they serve your water in a glass with a slice of watermelon, I mean, how cool is that? Grea... [read more](#). You can use the WLAN of the establishment free of charge. What [Виктория Павлюкова](#) doesn't like about Sushi Panda Kesklinn: They didn't deliver the sushi. They don't answer calls or emails. It turns out the problem is not solved. I won't buy here again. And I don't recommend it to anyone, so as not to waste time looking for a solution to get your money back!
