She was in Scotland today!!! Nope, it was just another customer that makes a total performance of ordering while she, and all the staff make everyone else wait to long! [read more](#). In the morning, you can enjoy a rich brunch at Sainsburys, as much as you want, For a snack, the fine sandwiches, small salads and other snacks are suitable. Not to be overlooked is also the large selection of coffee and tea specialties in this restaurant, **tasty vegetarian menus** are also in the menu available.
