A complete [menu](#) of Gail's Artisan Bakery from Richmond Upon Thames covering all **15** courses and drinks can be found here on the food list. Gail's in Barnes offers a mixed dining experience, with numerous patrons noting both its appealing food and concerning service. While some rave about the freshly made dishes and standout items like scones and Pastrami Bagels, others are disappointed by the staff's inattentiveness and uncleanliness. Limited indoor seating often leads to frustrations as solo customers occupy large tables, leaving queues to form outside. Despite the charming ambiance and delicious offerings, the erratic service, particularly noted during busy times, suggests that improvements are needed to enhance the overall customer experience. For now, visitors express caution about returning.
