Here you can find the [menu](#) of **Mr Chips Of Louth Fish** in East Lindsey. At the moment, there are **15** meals and drinks on the card. Mr. Chips continues to garner attention as a popular fish and chip destination, with some patrons praising its generous portions and friendly service. Many noted the quality of the fish, often freshly cooked and deliciously crispy. However, a recurring concern is the inconsistency of the meal quality, as some reported receiving undercooked fish and soggy sides. While service appears to be a strongpoint, the lack of accessible WiFi and occasional understaffing have marred the experience for some. Overall, there's hope for improvement, but customers are advocating for a return to higher standards and freshness.
