What [Paul King](#) likes about Vibes Caribbean: Great food, Lovely staff, good music. I had the Jerk Chicken and Fried Chicken with rice and peas. All delicious and really authentic. As for the rum punch..amazing! More people need to try this place, it's a gem. [read more](#). In beautiful weather you can even have something in the outdoor area. What [Nick Cook](#) doesn't like about Vibes Caribbean:

Sorry but i was so disappointed (i was starving too the fish was dry and quite bland, same for the rice. The veg was really bad!!! a few badly fried sliced carrots and onions doesn 't mean steamed veg as i know it. The wait for the food was so long, my lunch hour was over before i got served and returned to work, a 10 min walk max. I tried my best to eat it but i couldn 't, this wasn 't Caribbean and was so far from... [read more](#). A visit to Vibes Caribbean is particularly valuable due to the large range of **coffee and tea specialties**.
