Visited as a family of 5, 3 kids and its been absolutly perfect. Quick and very attentive staff and the food was far above other [Mexican](#) restaurants we have tried. We are all happy and will be repeat customers!! [read more](#).

What [Aurelian Sarbu](#) doesn't like about Cocina:

eating was quite decent, but service and location was average and the price was a little for what it was. if it were cheaper, I would have been more, but due to the price I would have expected a little more [read more](#). Anticipate the varied, delicious [Mexican](#) cuisine, which is usually prepared with corn, beans and chilies (hot peppers), Particularly with the bite-sized Tapas, you can't absolutely nothing wrong, because there is something for every palate. At the bar, you can also relax after the meal (or during it) with an **alcoholic or non-alcoholic drink**, In addition, the drinks menu that is offered in this established eatery is impressive. It offers a wide variety of beers from the region and the whole world.
