This restaurant was just lovely! The food was extremely fresh and tasty; the service was excellent; the overall vibe and decor was chilled, clean and pleasant. Would definitely return! [read more](#). The diner and its rooms are wheelchair accessible and thus reachable with a wheelchair or physiological limitations, Depending on the weather conditions, you can also sit outside and eat and drink. What [Compass286195](#) doesn't like about Saffron Lounge:

30 minutes late, had been waiting 90 minutes, rang the restaurant, the manager passed me to another staff member, he was abrupt, patronising and rejected anything to do with our order stating 'We are busy, love, it's with the driver'. I'll be going to your competitor, in future. Saffron Lounge from Bassetlaw is a good option for a bar if you want to have a drink after work and sit with friends or alone, One also prepares menus tastily and freshly with traditional **Indian spices**.
