What [A](#) likes about Tagine:

I really enjoyed the experience here! The food was amazing, staff were very friendly and the decor and atmosphere made it feel like you were in Morocco. Food was excellent, I had the lamb shank which was very flavourful and the meat would fall off the bone with ease. The bread was very crispy and soft which complimented the meat and tomato sauce. Highly recommend trying this place out [read more](#). When the weather conditions is pleasant you can also be served outside. What [Nico M](#) doesn't like about Tagine:

Didn't enjoy this place at all: food was mediocre, staff were rude and badly organised. We constantly had to ask several times for water, bread, etc. The staff were bringing mains before clearing starters. We went for their set menu for 35£ which in all honesty is not worth it. Chicken tagine was bony. Restaurant atmosphere was nice though and authentic. Don't recommend and won't return! [read more](#). At Tagine in Wandsworth you can [savor delicious vegetarian dishes](#), that are free from any animal meat or fish, visitors repeatedly praise the delicious, light flatbread that can be dipped into the homemade hummus or a yoghurt dip; the exciting combination of figs and goat cheese is among the hits from the diverse culinary landscape of the **Middle East**. The eatery also offers a extensive variety of delicious tapas, which are definitely worth a try.
