A complete [menu](#) of Miyako Teppan-yaki from Birmingham covering all 28 courses and drinks can be found here on the food list. This restaurant, while once known for its excellent quality and service, has unfortunately disappointed recent diners. Issues with slow service, poor quality food, high prices, and unaccommodating management have led to negative experiences and a decline in reputation. However, there are still positive reviews highlighting engaging chefs, entertaining experiences, and friendly staff. If looking for a special dining experience in Birmingham's China Town Quarter, this restaurant may still be worth a visit, but improvements in service and consistency in food quality are needed to restore its former glory.
