Viceroy:

We ordered a couple of the set meals in addition to some extras via just eat. The curries were very bland and tasteless and didn't have much meat in them. Just all didn't taste very nice at all. The best thing was the nan bread...which tasted OK. My wife and kids all rated it or out of so it wasn't just me. Sort it out please for other customers who will come here but we deffo won't be back.
