On this site, you can find the **complete menu** of Love To Eat from Conwy. Currently, there are 17 courses and drinks up for grabs. A recent visit to this restaurant in Llandudno left a group feeling ignored and disappointed. Long wait times, dirty cups, and lackluster service drove them to leave and find better options. Another visitor described their experience as the worst in a coffee shop, with unimpressive drinks and miserable staff. A former fan of the cafe was let down by the declining quality of the food, served on subpar tin plates. An incident involving false accusations of theft further highlighted the poor customer service and lack of professionalism at this establishment. It seems this once lovely cafe has lost its charm and appeal to visitors.
