On this webpage, you will find the **complete menu** of **Time Coffee** from Carmarthenshire. Currently, there are **49** dishes and drinks available. The Time Coffee Bar offers a mixed bag of experiences. While some customers rave about having delicious hot drinks and delightful paninis with various fillings, others are less impressed by the mediocre food quality and the inattentive service. Issues with cleanliness, worn-out decor, and missing garnishes have been mentioned. However, the pleasant atmosphere, friendly staff, and convenient location in the town center are noted positives. The cafe's unique offerings like luxury hot chocolate with marshmallows and the best carrot cake ever are standouts. The Time Coffee Bar seems to offer a hit or miss experience, with some room for improvement.
