What [User](#) likes about Kens Oriental: ..this place has been done up recently and we were pleasantly surprised, although I still don't like big TV screens in a restaurant. Santa also came early with all Xmas deco up and Xmas songs a bit too loud on Nov.25th. even if sung by Michael Buble. The place is very clean and has a nice bright atmosphere. Seating and tables are spacey and it all adds to your comfort. The staff is very attentive and friendly, just right. My wonton soup and kung po duck were nice portion size, delicious and reasonably priced. All in all a lovely meal and I walked out of there a happy man.... 100% recommended... If you feel like a *dessert*, you should visit Kens Oriental because they have **delicious desserts** that will surely satisfy the sweet-tooth in you, Many guests are particularly impressed by the versatile, fine Chinese cuisine.
